

Student Loan Consolidation Center Student Loan Trust I Announces Increase of Tender Cap for and Extension of its Dutch Auction Tender Offer for a Portion of its Student Loan Asset-Backed Auction Rate Notes

ALEXANDRIA, VA, March 8, 2011 – Student Loan Consolidation Center Student Loan Trust I, a Delaware statutory trust (“SLCC I”), today announced that it has increased from \$647,300,000 to \$648,200,000 (such amount, as increased, the “Tender Cap”) the maximum aggregate principal amount of its outstanding Auction Rate Student Loan Asset-Backed Notes, Senior Series 2002A and 2002-2A (the “Notes”) that it is offering to purchase pursuant to its previously announced cash tender offer (the “Tender Offer”) in accordance with the Offer to Purchase, dated January 14, 2011 (the “Offer to Purchase”), and the related Letter of Transmittal.

SLCC I also announced that it has extended the expiration time of the Tender Offer. The Tender Offer, which had been scheduled to expire at 10:30 a.m. (New York City time) on March 8, 2011, is now scheduled to expire at 10:30 a.m. (New York City time) on March 15, 2011 (the “Expiration Time”). Tenders of Notes may be made at any time prior to the Expiration Time. All other terms and conditions of the Tender Offer remain as set forth in the Offer to Purchase and related Letter of Transmittal, which remain in full force and effect.

As of 10:30 a.m. (New York City time) on March 8, 2011, \$647,300,000 aggregate principal amount of Notes have been validly tendered and not validly withdrawn in the Tender Offer, based on information provided by the depository for the Tender Offer.

As described in the Offer to Purchase, SLCC I’s obligation to purchase Notes tendered pursuant to the Tender Offer is conditioned, among other things, on (i) SLCC I having closed, on terms that SLCC I concludes, in its discretion, are commercially reasonable to SLCC I, and received net proceeds from, its offering of its Student Loan Asset-Backed Notes, Series 2011-1 in one or more series (the “New Notes”) that, together with certain additional funds available to SLCC I as specified in the Offer to Purchase, are sufficient to fund the purchase of the Notes in the Tender Offer, for any Early Tender Payments for such Notes to be paid by Goal Financial, LLC (f/k/a Route 66 Ventures, LLC) (“Goal”) (or one or more of its affiliates), for SLCC I to pay Accrued Interest on such Notes, and for other costs and expenses related to the Tender Offer and the offering of the New Notes and credit enhancement, if any, required by the rating agencies in connection with the offering of the New Notes (the “Financing Condition”), (ii) Goal Triple B Funding 2, LLC, the residual equity holder of SLCC I, having obtained consent from certain lenders under an existing loan agreement in connection with issuing the New Notes and (iii) the satisfaction of certain other customary conditions.

SLCC I is currently in the process of privately placing the New Notes and currently anticipates that the net proceeds from the New Notes will be sufficient to satisfy the Financing Condition to the Tender Offer. While there can be no assurance that the Financing Condition will be satisfied, SLCC I currently anticipates that the Financing Condition to the Tender Offer will be satisfied on the date that the Expiration Time for the Tender Offer is scheduled to occur. If the Financing Condition is satisfied at any time prior to the Expiration Time, and subject to satisfaction of the remaining conditions to the Tender Offer, SLCC I expects to accept for purchase Notes tendered in the Tender Offer on the terms set forth in the Offer to Purchase.

The following series of Notes have auction dates occurring on or prior to the Expiration Time, as extended: Series 2002-2 Note A-14, which has an auction date of March 9, 2011; Series 2002-1 Note A-04, which has an auction date of March 10, 2011; Series 2002-2 Note A-11, which has an auction date of March 14, 2011 and Series 2002-1 Note A-05, which has an auction date of March 15, 2011. Any holder of a Note that tenders, or has tendered, a Note will not be permitted to sell such Note in connection with any subsequent auction date occurring during the time the Tender Offer remains outstanding (a “Subject

Auction Date”) and, therefore, will be deemed to have submitted a hold order with respect to any subsequent Subject Auction Dates.
